SUPPORT YOUR COMMUNITY

Become a founding donor by donating to the *i play Children's Museum* for their outreach programs and the development of a children's museum in the Greater Springfield community of Northern Virginia.

Your generous support will enhance the lives of our children in their discovery of play, creativity, and imagination through all of the arts.

BE A VOLUNTEER

community outreach - help to promote the museum within your neighborhood and groups using museum outreach information packets

data entry - create and manage museum database

project volunteers - assist at outreach programs (community service credit available)

fund-raising - requesting donations at house parties, schools, churches, and social groups

"Recreation and educational programs that appeal to all cultural groups need to be made available. Research suggests that youth involved in such programs are less likely to participate in risky or antisocial behaviors."
